Together, We Can Do This!

Hello BROC Friends and Family!

BROC is participating in #GivingTuesday again this year. While we raise funds throughout the year and budget carefully, Giving Tuesday presents a unique opportunity to reach out to our supporters and others who might not know of BROC and our unique view on rescue.

BROC rescues Bichons and other small non-shedding breeds of any age. But we specialize in rehabilitating and rehoming senior pups. This takes time and money, and with your generous support, we have successfully placed many senior pups – even pups over 15 years old. There are many loving families who are willing – even committed – to loving these pups and giving them the very best last days. With you by our side, we can continue to make this possible.

Every year we face new challenges, yet we figure them out and keep going. The rewards of placing pups in forever homes and making families happy far outweigh any frustrations or obstacles we face. The faithful volunteers here at

Bichon Rescue of Orange County love what they do and it's all possible because of YOU, our amazing supporters.

With your support through the years, we have been able to make urgent rescues, provide medical care, and rehabilitate pups that might have been turned away by shelters and other rescues. We continue to offer sanctuary to pups with challenges that make them less likely to be adopted.

GIVING TUESDAY

During the next 24 hours, people around the world will come together to participate in a global day of giving, Officially known as – Giving Tuesday.

At Bichon Rescue of Orange County, we have a goal of raising \$5000+ in just 24 hours. Thanks to supporters like you, we believe it's possible and we're humbly asking for your support so that we can continue to save lives and provide much-needed care for pups in need.

Please donate today. Any amount will help us reach our goal.

Hi, I'm Kobe. I would really love to have a forever home. I need an experienced owner who will understand me and help me with my fear. Oh no, I won't be afraid of you - I love my special person - but I will be afraid of everyone else - especially groomers. You see, my owner was a senior who rarely left the house. It was just the two of us. We didn't go on walks and we didn't take car rides

Hello! My name is Jax and I am a super sweet guy. I love everyone I meet, including pups and gentle children. I love my walks and rides in the car. I'm playful and full of energy. I am loved and well-cared for with my foster family but I am looking for my forever home. Let meet and see if we're a good match for each other!

- we were just livin' the good life - the Meet Jax
two of us.

Meet Kobe

Doing Our Very Best

Bichon Rescue of Orange County California is a non-profit organization dedicated to the rescue, rehabilitation and rehoming of neglected, abused, or otherwise homeless senior Bichon Frises, bichon mixes and other small non-shedding breeds, placing them into permanent, stable, and caring forever homes.

We believe in the value of our senior citizens as adopters as well as fosters and are committed to their advocacy and support through our "Seniors for Seniors" focus.

We believe in promoting awareness of the need to spay and neuter pets, and of the importance of proper medical, dental and nutritional care.

We believe in cultivating a volunteer spirit in our youth and educating them about the importance of pet advocacy.

Senior Dogs:

We believe senior dogs contribute positively to our quality of life and have much to teach us about patience, respect, responsibility, loyalty and unconditional love.

We believe every senior dog deserves to live out their golden years, months, weeks or even days in a place of love, security and peace.

We believe dogs are not a disposable commodity; rather, they depend on us to care for them through all stages of their lives.

We believe in providing educational support, advocacy, and sharing of best practices for those who support senior dogs.
