Dear Friends,

On December 1, Bichon Rescue of Orange County will be participating in GivingTuesday, a global day of giving back that takes place annually on the Tuesday after Thanksgiving.

Your donations to BROC help us pay for food, care, and medical bills. Many of our pups have special needs that are quite costly to address – every dollar we raise enables us to rescue and re-home senior and special needs pups and place them in loving homes.

We hope that you'll participate in Giving Tuesday by supporting BROC and our mission.

HOW TO GIVE

On GivingTuesday—Tuesday, December 1—make your gift online by visiting our Facebook Page and donating via our **Giving Tuesday Fundraiser**.

Alternatively, you can visit our **website to donate** or go directly to **Paypal**.

Zelle is another convenient way to donate: info@bichonresuceoc.org.

If you prefer, you can mail a check to:

**1400 N. Kraemer Blvd #1314
Placentia, CA 92871**

Don't want to wait? **Click here** and make your gift now! Your gift will be counted in the #GivingTuesday Campaign even if you give today.

Spread the word about BROCC on Giving Tuesday by creating a **Facebook fundraiser!**

P.S. If you have already made your gift to BROCC — thank you! Your gift is counted toward the #GivingTuesday campaign.

Our commitment to every pup does not waiver when they have special needs. Some of our fluffs have been diagnosed with conditions that significantly reduce the likelihood of traditional adoption while others are terminal. We have amazing volunteers who are committed to fostering these special needs rescue pups until the end.

Please donate so that we can continue to serve our senior community and help senior and special needs dogs.

About BROC

Bichon Rescue of Orange County California is a non-profit organization dedicated to the rescue, rehabilitation and rehoming of neglected, abused, or otherwise homeless senior Bichon Frises, bichon mixes and other small non-shedding breeds, placing them into permanent, stable, and caring forever homes.

We believe in the value of our senior citizens as adopters as well as fosters and are committed to their advocacy and support through our "Seniors for Seniors" focus.

We believe in promoting awareness of the need to spay and neuter pets, and of the importance of proper medical, dental and nutritional care.

We believe in cultivating a volunteer spirit in our youth and educating them about the importance of pet advocacy.

Senior Dogs:

We believe senior dogs contribute positively to our quality of life and have much to teach us about patience, respect, responsibility, loyalty and unconditional love.

We believe every senior dog deserves to live out their golden years, months, weeks or even days in a place of love, security and peace.

We believe dogs are not a disposable commodity; rather, they depend on us to care for them through all stages of their lives.

We believe in providing educational support, advocacy, and sharing of best practices for those who support senior dogs.
