MEET MAURY 💜💜

Six year old **Tina** on the other hand is a quieter pup who yearns to be right by her family member's side. She's blessed with a cute teddy bear face in a smaller 14 lb Bichon/Maltese body..just right for cuddles and snuggles.

She needs to be the only pup in the house—but loves her people. Another one of our shelter rescues, it would be wonderful to place her in her forever home by April 30 Adopt a Shelter Pet Day. What a great "double birthday" you could celebrate in your home with her every year!

CAN'T ADOPT? DONATE $10 TO PATSY INSTEAD

NOT everyone can bring a dog home, BUT you can still make a life-saving difference.

Meet Patsy, a gentle, loving pup we rescued from a local shelter in heartbreaking condition—severely malnourished and battling serious liver and glucose issues. Thanks to urgent veterinary care and a lot of BROC love, she's now stable and recovering. But it came at a cost: $5000 from the BROC treasury

A HUGE THANKS to Foster Mom **Theresa Hoang who stepped up to bring Patsy into her home**. Patsy is doing better every day thanks to her most loving care and attention.

Can you make a donation to help offset this unexpected major Patsy expense? Think of it as your "Virtual Adoption" this April.

Please **CLICK HERE** to donate for Patsy. Thank you for being part of her second chance.

FOSTERING BRINGS JOY

Right now, loving pups are waiting in shelters because we don't have enough short-term foster homes. BROC is ready to say "yes" to more pups in need—but we can't do it without you.

Fostering is easier than you think…And more personally rewarding than you can possibly imagine! (We always talk about the benefits to the dogs—-but the human's sense of joy is unmatched as well.) You provide a safe, loving place for a dog to land while BROC supplies everything you need (food, grooming, medications, hands-on support from our volunteers). That's it.

Fostering is flexible. Take a dog for a short stay, help out while another foster is on vacation, or just "try it out". Do you travel or have other pets in the home? No problem. We thoughtfully match the right pup to your home and lifestyle and have back up fosters to accommodate travelers.

If you're even a little curious or have questions, please reach out. We'll work with you to find a situation that feels right. If you are ready **Apply Here.**

Volunteer Appreciation Month

April is Volunteer Appreciation Month, and we want to take a moment to recognize the incredible people who make everything we do possible—our volunteers.

Because of your time, compassion, and dedication, we're able to rescue, care for, and rehome so many deserving dogs. Whether you're fostering, helping at events, coordinating adoptions, transporting pups, or supporting behind the scenes, every effort matters. You are the heart of our organization, and we are truly grateful for each and every one of you.

At the same time, as our rescue continues to grow, so does the need for support. If you've ever thought about getting involved, now is the perfect time. Come be part of something meaningful, meet like-minded people, and help us make a difference—one dog at a time.
Thank you again to all our amazing volunteers. We couldn't do this without you.

Youth Volunteer Opportunities

BROC is looking for youth volunteers to help at our weekend adoption events!
If you love dogs and want to give back, this is a great way to earn community service hours, gain experience, and make a real impact.

What you'll do: help with setup, assist with our adoptable pups, and engage with visitors.
