Tempting You with Tina

Tina is a sweet, 6-year-old bundle of white fur with an adorable teddy bear face who loves being around her people. She recently came to BROC and is now ready for adoption. Quiet, healthy, and housebroken, she's a bit shy at first but quickly warms up to love and attention. Tina could be the perfect addition for your home. Are you ready to be her new family? She's sure to give you endless tail wags in return. If interested, please visit **www.bichonrescueoc.org**

Joyful News About Little Jay

Last month, we introduced you to darling, tiny Jay — a sweet but tough little guy who came to BROC needing multiple surgeries to correct serious urinary issues. His care was extensive and costly but because of our generous supporters, Jay got the second chance he deserved.
(**Thank you donors!**)

Today, we're thrilled to share that Jay has gained more than 20% of his original body weight and is thriving as the happy, loving pup we always knew he would be. Now this brave boy is ready for the very best chapter of all — his forever home. If you'd like to learn more about adopting Jay, please visit **www.bichonrescueoc.org**

🐾 Volunteer Needed: Transport Coordinator 🚗💜

Our rescue is looking for a Volunteer Transport Coordinator to help organize rides for our dogs and supplies.

This role involves coordinating volunteers to transport dogs from shelters to foster homes, foster homes to adoption events, and helping arrange delivery of supplies to fosters and adopters. The role is remote and flexible and mainly involves scheduling and communication.

If you're organized and love dogs, we'd love to have you on the team!

Poison Proof Your Pup

March is Pet Poison Prevention Month, so please take a few simple steps to keep your furbabies safe:

1. Store cleaning products, medications, and vitamins securely in closed cabinets well out of reach.
2. Keep trash covered.
3. Avoid toxic plants like aloe vera, philodendron, pothos, azalea, sago palm, oleander, and lilies.
4. Never feed dogs grapes, raisins, or chocolate.
5. When you're out and about, be sure to supervise your dog on walks to prevent them from picking up or eating something harmful.

A little extra awareness can go a long way in protecting the pets we love.

About BROC

Our Mission:
To rescue, rehabilitate, rehome and provide sanctuary to homeless, neglected and/or abused Bichon Frisées, Bichon mixes and other small non-shedding breeds.

Our Beliefs:

1. Permanent, stable and caring homes are the "placement of choice" for ALL dogs.
2. Senior Citizens are invaluable fosters and adopters.
3. Education about the needs of small breed dogs is imperative.
4. Youth volunteers are tomorrow's dog caregivers.

BROC is a non-profit 501(c)3 ~ Tax ID# 47-1918280
